### Student Learning Fund

For each student that brings in their report card, C US Bank will deposit \$5 in the Student Learning Fund. C US Bank established this fund in order to enrich learning through trips, special speakers, and extra activities that may not be in the budget for schools in the Howard-Winneshiek Community School District, both public and parochial. Along with funding, C US Bank also offers to send along chaperones on the field trips, if they are requested by the school. As of May, 2010, over \$3,000 has been given out through this fund.

To apply for a grant, teachers must fill out the application and submit it to the bank. For more information, contact Katie Ferrie at [katief@cusb.com](mailto:katief@cusb.com).
