VIP Connection Coordinator

Hello Friends,

As I write this newsletter, we are looking at a week in the 40's with the sun shining every day. I can't help but believe spring is just around the corner, keep your fingers crossed.

A little plug for the Cresco Theatre and Opera House and their murder mystery dinner theater taking place March 14th and 15th. The rehearsals are going great and a wonderful meal is being planned. All proceeds from ticket sales will go to funding for new riggings and stage curtains in the theatre. And, by the way, Jarry and I are working, so join us for an entertaining performance and a great meal with exceptional service. This is not a VIP event, so please look inside this newsletter to see where tickets can be purchased.

Speaking of "mysteries", the VIP will host a *Mystery Movie* on March 24th at 2:00 PM at the Cresco Theatre. Join us for a free movie with free popcorn and a small drink - a great way to spend the afternoon and enjoy the beautifully restored theatre. We invite you to also bring a friend (non-VIP members are welcome)! See the ad inside this newsletter for a photo movie hint. *Let's Go VIP!*

'*The Bikinis: A New Musical Beach Party*' at DayTrippers is April 23rd. We still have a few seats left, so call Jodi and join us as we travel back in time to the summer of '64 for great music and lots of fun and laughter. Unfortunately, or fortunately, Suzanne and I will not be in bikinis and Jarry will not be in a speedo. **Deadline to sign up is March 19th!**

I think we have something special planned for May 9th - *Mollie B* music and dancing! You can

enjoy the music and polka the afternoon away. *Mollie B* comes LIVE from her show on the RFD network. My father-in-law would never miss watching *Mollie B*, God forbid we would ever plan anything when Mollie was on TV. This is Saturday of Mother's Day weekend, but what a great way to start off the weekend celebration. Bring your dance partner, your mom, your friends, and enjoy a great afternoon of entertainment. I have reserved seating arranged, so you can sit and watch or jump up and shake-a-leg. Jarry will have his dance card ready! Check the events sheet for all the details and call Jodi today.

My bag will be packed for a summer of traveling with trips in June, July and October. '*Mackinac Island*' during Lilac Fest and '*Spain & Portugal*' in July are both sold out. '*Painted Canyons*' in October still has seats available, but the deadline for signing up is April 6th. Call Jodi and join us as we tour through five national parks in

the Southwest, the beauty and splendor will take your breath away. Included in this newsletter is a press release from Collette regarding the current state of travel worldwide and the coronavirus. Please know that we will continue to work with Collette monitoring travel, but know your wellbeing is always our first concern.

We are working on some day trips to add to our summer schedule for 2020, and of course, a "mystery" trip is in the works. I hope all of you are as anxious as I am to hop on the bus and hit the road so we can enjoy 2020 together. I miss seeing all your smiling faces and hearing all your stories.

See you on the road...

Ronda
